Town of woodlot, if different from residence address:

zzzz

County of the property you visited:

Livingston

How did the operation fit into the MFO Volunteer Program

1

Reason:

Recreation

1

Privacy/Rural Setting

1

Wildlife Viewing

1

Hunting

1

Do they have a management plan for their woodland?

No, intend to

1

Professional Services

Producing a product (either at commercial, personal use, or hobby scale of production)

Gaining or increasing their awareness, knowledge, or skills.

Biodiversity

1

Forest Regeneration (natural)

1

Herbicides  
1  
Interfering/Invasive plant management  
1  
Invasive insects (EAB, HWA, ALB, etc)  
1  
Owner objectives  
1  
Safe use of chainsaw or other equipment  
1  
Thinning/TSI to grow better trees  
1  
Tree and woodlot health (general, tree growth, native insect and disease)  
1  
Tree identification  
1  
Wildlife habitat enhancement  
1

#### Planning and administration

In addition to the items checked above, what, if any, problem was discussed with the owner? Is th...

3 acre house lot planted 1980's with pines 6ft. apart. Most now either dead or dying. Main discussion was cleaning up and restoring wooded portion of residential lot. Owner has good concept of what he would like the end result to be, is practical in approach and expectations.

#### Professional Services

Management actions  
Deer impact reduction through hunting  
1
